

Veterinary & Authorization Agreement

The safety and well-being of your pet(s) is of the highest importance to Bliss Pet Resort LLC. Insuring that your pet remains safe and well cared for is our first responsibility and as such we take it very seriously. We do our best to have our pet parents screen for pre-existing health conditions but some factors may be beyond our control. In the event that a medical emergency arises while a pet is at our facility or participating in a service that we provide, it is imperative that we are authorized to immediately seek medical treatment at the closest available facility. If the situation permits, we will call your veterinary center (if located in Prosper) first, then check with next nearest emergency animal center for availability to handle the medical treatment needed. In extreme emergencies, we notify the owner after we have secured the pet's medical treatment in order to avoid delays that may be caused by emotion on the part of the pet parent. Our goal is to get your pet medical attention as quickly as possible, and any distractions may interfere with that process.

I understand that in the event of a medical emergency, I authorize Bliss Pet Resort LLC at its sole discretion to seek the immediate medical attention by licensed veterinarian for my pet(s). I authorize Bliss Pet Resort & Spa to seek treatment at the closest available veterinary center. I further agree that I am financially responsible for any and all medical treatment my pet(s) received as a result of a medical emergency while attending services provided by Bliss Pet Resort LLC.
